29 September 1998

Dear Dr. Karle:

Thank you very much for your arrangement of my visit and the talk.

I will take DL2655 30 September from Zurich (ZRH) 10:20 to Boston (BOS) arrival 12:30 and take DL 4360 from Boston (BOS) 14:05 to Washington DC (DCA) arrival 16:10, 30 September.

Because I have not driven car for many years and I have trouble to be a good driver, I will not be able to rent a car at the airport and drive a car. Can you please ask your secretary to give me some instruction for me to reach the hotel Red Roof Inn in Alexandria, Virginia, and the next morning (1 October) to come to your laboratory? Sorry to bother you about this.

The next day in the evening I will travel further by taking US 348 leaving Washington DC (DCA) 17:35, 1 October to Bradley International Airport in Connecticut.

Please give me a reply by fax.

With best regards,

Sincerely,

Shu-Kun Lin
